This is a
FREE
EVENT!

Electronics contain hazardous materials such as lead, arsenic, mercury and cadmium. By recycling Home Electronics, you can keep these dangerous contaminants out of landfills and away from water supplies.

Accepted Items at this event
include:

TVs, Phones, Computers,
Radios, FAX
Machines, Cameras, Etc.

Unused or out-of-date
Prescription Medicines,
Over-the-Counter
Medications and Veterinary
Medicines.

No Questions Asked

Rigid Plastics: Coolers,
Buckets, Flower Pots,
Outdoor Furniture, Etc.

This is a
FREE
EVENT!

Prescription drugs that are flushed down the toilet or improperly disposed of can enter rivers and creeks, harming fish and wildlife living in the water. Keep fish from being medicated by bringing your unused or out-of-date medicines to this event!
