

What is Randolph Health StayWell Senior Care?

StayWell is a certified PACE (Program of All Inclusive Care for the Elderly) program.

Randolph Health StayWell Senior Care provides an alternative to nursing home placement. StayWell allows individuals in need of skilled nursing care to remain in their home or community setting and receive quality care from a team of clinical experts. The goal of the program is to improve the health and overall well-being of the frail, elderly population. This intensive medical and social support can help reduce hospitalizations and emergency room visits as well as avoid premature admissions to nursing facilities for those who can safely live at home.

StayWell services include:

StayWell has an interdisciplinary team which creates customized care plans specific for each participant. Services that may be included are:

- Physician
- Nurse Practitioner
- Adult Day Health Services
- Nursing Care & Home Care Services
- Prescriptions
- Transportation
- Medical Equipment & Supplies
- Caregiver & Family Support
- Occupational Therapy
- Physical Therapy
- Certified Nursing Assistant
- Social Work Services
- Dietitian
- Speech Therapy

How to Qualify?

Residents of Randolph, Moore and Montgomery counties who meet the state requirements for nursing home care are eligible for StayWell services. Participants must be 55 or older and able to live safely in the community at the time of enrollment.

Who pays for these services?

Once an individual is enrolled, StayWell becomes the primary care provider and covers all healthcare services. Participants with Medicaid and Medicare may receive services at no additional cost, depending on income. With the exception of life threatening emergency services, all services delivered must be approved in advance by StayWell. Participants may be charged for the full cost of services from an out-of-network provider or for services received that are not approved by StayWell in advance.
